### *From the President:*

As this will be the last issue of TIN for the year, I want to wish you a successful completion of the academic year. For some of you it might mean the completion of your studies here at CIS, for others it will be another step taken toward your degree.

My hope is that you will have benefitted from your studies, from your lecturers and co-students. I also would like to take this opportunity to thank the president and members of the previous CISSA council for their contribution toward the CIS community. I welcome the new president and the new members of CISSA and thank them for their willingness and commitment to undertake their new task.

Finally, I would like to thank everyone for the various contributions to our community here at CIS.

Wishing you a well-deserved time of vacation and in particular a prayerful time for Advent and a blessed Christmas, and looking forward to those of you who will be returning in the New Year.

*Sr M Isabell Naumann*

CATHOLIC INSTITUTE OF SYDNEY  
**MERRY CHRISTMAS**

*From CISSA President:*

As we come near to the end of the semester and looking forward to the beginning of a new academic year, I would like to introduce myself. Many already know me, but for those who do not, my name is Hugo Chis, a Seminarian for the Diocese of Wilcannia-Forbes in my 3rd year of study at the Seminary of the Good Shepherd and also your new CISSA President!

On October 16th CISSA (Catholic Institute of Sydney Student Association) held its AGM for 2018. It was attended by 25 students which was a record turnout! At the AGM I had the pleasure of being elected as the CISSA President who will represent the students of CIS to the staff and the senate of the institute. I would like to take this opportunity to thank Mr Michael Lilley my predecessor for his work with CISSA and to the former council.

I also take this opportunity to welcome our new council,

- \* Eden Langlands (Secretary)
- \* Nathan Tartak (Treasurer)
- \* Cong Hoang
- \* Matthew Bretania
- \* Mark Ha

Thank you for your nominations of these fine members and I thank them for accepting the positions.

This is a time of renewal within the Church of Australia as we approach the Plenary Council of 2020 and our CISSA council is also determined to bring forth renewal at CIS. A renewal of student life both socially and spiritually. For this to happen, the council cannot do it alone! It needs your help. Your voice is vital and important and without it CISSA cannot function. I urge you to take some time, reflect and ask yourself, "what will make student life better at CIS?" With 2019 approaching, I along with the council will ask you to respond to this question, which will build the foundation to steer CISSA and student life into a new, better and renewed direction.

The end of semester draws closer with final essays due and exams on the horizon, may I wish you all the best and God's abundant blessings.

*Hugo Chis*
