FATHER PAUL HANBRIDGE RESEARCH SCHOLARSHIP

The Fr Paul Hanbridge Research Scholarship was inaugurated in 2015 and is available to a postgraduate student who has commenced their research. This may be someone writing a thesis at Master or Doctoral level and is being supervised by a member of the CIS faculty or has been previously enrolled as a student at CIS, or a student at the postgraduate level who is currently writing a research essay or thesis.

The scholarship has been made possible as a result of a generous donation from the Father Atanasio Gonelli Charitable Fund. The benefactors wished to keep alive the memory of Fr Paul Hanbridge who died in January 2015. Fr Paul was a member of the Capuchin community at Leichhardt. At various times he had been at friaries around Australia and in the General Curia of the Capuchins in Rome. The scholarship acknowledges Fr Paul’s spiritual leadership and theological research over many years.

The amount available for the current year is $5000. The Selection Committee reserves the right to disburse the money to one or more applicants. The Committee will take account of the quality of the research project, its potential impact, the number of applicants, and the circumstances of the applicants.

Applying for the Scholarship

Applications are now being received for this scholarship.

Applicants should apply in writing, addressing the following matters:
• the topic of their research project;
• an indication of how their research has progressed to this point;
• the timeline for its completion;
• the amount of money they are requesting;
• a brief description of how this scholarship will assist them.

Applicants may submit a sample of their writing associated with this project.

Applications should be made to:
Rev Dr Gerard Kelly, President, Catholic Institute of Sydney
e: gkelly@cis.catholic.edu.au

Applications close on 4 March 2016
