INTRODUCTION TO CANON LAW

P7195/P8592

MODULES

Join Fr Richard Waddell as he explores the relevance of Canon Law to parish life at a series of modules at CIS.

These modules will be of great practical assistance to all those involved in parish administration.

Those who attend will gain an understanding of how the Catholic Church governs its internal affairs.

The Code of Canon Law is the starting point at the heart of the administration of a parish - it governs not just the ministry of priests in the preaching of the Gospel, the celebration of the sacraments, teaching and pastoral care, but also the chain of command in a diocese, the nuts and bolts of the use of care of properties and parish finances, and the involvement and responsibilities of the laity in parish life.

ABOUT FR RICHARD WADDELL

Fr Richard Waddell is a former barrister. He practised at the Victorian Bar for twenty-two years in commercial law. In 2013 he was ordained a priest of the Personal Ordinariate of Our Lady of the Southern Cross and then obtained a Licentiate of Canon Law (JCL) from the Gregorian University, Rome, in 2016. He is presently Administrator of the Parish of Newton and a Defender of the Bond in the Sydney Interdiocesan Tribunal.

PLEASE NOTE

Taken for academic credit, students must attend all four days until 4.30pm, complete the assigned assessment tasks, and comply with the CIS academic regulations. Those seeking credit for the modules should contact the CIS Registrar, Mr Jason Israel, at registrar@cis.catholic.edu.au or call 9752 9503.
